

Ornamental Trees (Deciduous) Detailed Watering & Care Guide

****Always remember to water by hand, at the base and not on the leaves. ****

****Install all plants with blended/ mushroom compost and topsoil, starter fertilizer and a thin layer of mulch at the base****

****Remember to check plants for water more often in SUMMER!****

****PLEASE REACH OUT TO US FOR HELP IF YOUR PLANT IS NOT ON THIS LIST****

*****IF YOU CANNOT WATER PROPERLY PLEASE BUY A TREE BAG*****
