

## **Landscape Design Internship**

Melka Landscaping & Maintenance is an award-winning design build company that is looking to add a summer design intern to our team this year. Our focus is providing landscape & hardscape designs that exceed client's expectations and are constructed to last.

### **Qualifications:**

- Enrollment in a Landscape Architecture or Horticultural program being into 2<sup>nd</sup> year of design courses
- Strong graphic abilities utilizing programs such as AutoCAD, Adobe, and Microsoft Suite
- Excellent communication skills between team members
- Strong organizational skills and ability to work on multiple projects at once
- Valid driving license

### **Responsibilities**

- As an intern, you will assist other designers with creating renderings, plans and proposals for presentation.
- Your time will be split between the office and outdoor fieldwork. Fieldwork will consist of assisting designers and project managers setting up installation crews, collecting site measurements, and tagging plant/hardscape materials for projects.
- Conduct research on code and permitting.
