

# Weber Genesis II

## Features & Highlights

- **Revolutionary New Burner Tubes**  
Newly redesigned burner tubes provide even heat, and reduce the risk of flare ups when cooking.

- **Large Cooking Area**  
Larger cooking area when comparing Genesis 300 series to Genesis II 300 series, plus options for larger 4 and 6 burner models.

- **Redesigned Flavorizer Bars**  
Same function with improved quality and longer warranty coverage. (PE: 5 years, previously 2 years. SS: 10 years, previously 5 years.)

- **Infinity Ignition System**  
Redesigned electronic ignition provides more consistent results and increased longevity. (Warranty: 10 years, previously 2 years.)

- **iGrill 3 Compatibility**  
*iGrill 3 combines technology & grilling. Connect iGrill 3 to your iOS and Android devices to get a high-tech look at what is happening inside your Genesis II grill.*
