JIM MELKA LANDSCAPING AND GARDEN CENTER
TO BETTER SERVE ALL YOUR LANDSCAPE NEEDS!

Instructions to Download the Mobile App: **App can not be downloaded from the Apple Store*

1). Scan QR code shown below with a QR Code Reader. We recommend the **Red Laser Classic** app (shown at right), which is free from the Apple Store.

← 2). Using the QR Code Reader, place the QR code at left in the center of the reader and your screen will be forwarded to the website for downloading the app.

3). For **iphone/ipad** users, first select the 'envelope-arrow' icon and then 'Add to Home Screen' to download the app. For **Android** devices, first save the website as a bookmark, click the device home screen to add a shortcut, and then select 'bookmark' to download the app.
