Hello <<First Name>>

The last two months have been a very creative time for me! **Gifts of the Essential Oils** - a book co-written with Adam Barralet - is about to go to print and will be on sale before Christmas.

It has been an incredibly exciting process. I've always wanted to create a book that captured my love of Mother Earth, essential oils, and living a life filled with joy and love. It was an honour to bring this creation into being with Adam who is such a deeply knowledgeable person on so many levels, with the book design overseen by the masterful graphic talent of Jonathan Mazingo. It's a book that is sumptuous to look at with magnificent photos featuring the beauty of Mother Earth, filled with essential oil blends and wisdom I've so longed to impart to you all.

I've also been collaborating with Vivien of UK Essential Oil Supplies on two separate projects:

- MyMakes: Aromatic Dressing by Vanessa Jean Boscarello Ovens
- A Guide to Aromatic Dressing with Essential Oils - Educational Brochure

Vivien is another creative soul who has brought my love of Aromatic Dressing into life with these new products. Stay tuned for more details on when these offerings will be made available for sale. Both of these products have been designed to support enrolling new people and for powerful followup classes.

Paul and I are off to the US next week to Global Convention in Utah to watch Adam and Jonathan walk the purple carpet as well as Petah-Jane Auckland-Hall and Ura Auckland, both couples as **Blue Diamonds** There will be tears of joy aplenty, no doubt about that! One of the best parts of being in this doTERRA business is watching the dreams and goals of your team being realised and sharing in their triumphs as they reach new heights. Truly, a joy and an honour, and SO MUCH FUN!

Finally, please enjoy the ***Fabulous Fathers eBook*** that we've created to celebrate fathers everywhere.

Until next time,

*In Joy and Love,
Paul and Vanessa Jean*
