

Hi <<First Name>>

I am thrilled to announce that our upcoming 6 month journey has arrived! The Voice of the Goddess is here, and I am delighted to share her magic and potency with you.

To me, this is an exquisite offering, one that I feel deep in my marrow, will alter your inner world and those you touch with your light.

Voice of the Goddess is for those of you courageous enough to create a new life and self by tugging on the drawstrings of your future and reclaiming your magnificence and true sovereignty with a full bodied "YES!"

This will be a time of transformation, transmutation, and good old fashion

magick! It will be joyous, revelatory and revealing. You will meet your divinity and bow to Her.

"Where to begin... What an incredible journey we went on in the Whisperings of the Goddess... The sacred container that was created and the Magic that weaved it's way, activating every cell of my being was indescribable ✨"

There was a deep remembering, a coming home, as parts of my DNA where activated, reactivated. The way in which Vanessa Jean shares her magic and wisdom is powerful, potent and alchemical. As she transmutes her transmissions into a multidimensional space for deep learning and receiving ♥️✨♥️ The content created was incredible and the resources given to us where absolutely beautiful. I am so grateful to have been a part of this and to integrate it all into my being ✨ I cannot wait to journey more with Vanessa Jean ♥️."

Let me briefly introduce you to the dulcet tones of Voice of the Goddess...

She is the melody that has been imbedded in my heart and soul for as long as I can remember. She is a sacred vessel bringing with her the light codes needed to deactivate outdated patterns and activate the sleeping genes within you that lead you to the miraculous.

Voice of the Goddess is akin to a 6-month mentorship program. She will guide you along the path to accessing and harnessing the wisdom of your Akashic Records, your voice as an instrument of transformation and deep healing, the voice of the plants and their devas, and she will have you swimming in ecstatic bliss as you swirl through creation energy.

"Vanessa Jean was so encouraging, loving and supportive through the whole

process. It was lovely to connect and learn with other goddesses. There was so much freedom to be who I am meant to be. Using my voice, dancing and laughter with a few tears were all part of the process. I am so grateful that Vanessa Jean put so much effort into making this course about freeing ourselves.”

Jenny Haig

Voice of the Goddess has a very clear purpose to catalyse your genius, wisdom and light so that you remember who you are and be the full expression and embodiment of this.

She will liberate you from depending on others for knowledge about who you are/might be and for guidance into the unknown future.

She will coax your wings to unfurl so that you soar into your future and bring all that magic and knowing to the present moment. You will know how to create from your future and bring treasures from the past into the foreground.

“I had the privilege of working with Vanessa Jean this past year. She was able to access my Akashic Records at a time when I really needed help connecting with my soul's information.

Her ability to easily connect me and guide gently was simply beautiful. I was able to connect with feelings and gain understandings that I still go back to whenever I am in need.

I have no doubt that she will be able to teach this skill in such a profound way that we will be able to access our own records as needed and with ease.”

Becoming the full embodiment of the Goddess requires you to get out of your own way as you peel back the many layers of armour preventing you from seeing yourself. This journey will support you with tools, inspiration, and practices to help you to cultivate an utterly joyous and expansive life.

This is for everyone yearning for something “more” – more authentic, loving, serene, sublime, sensual, magical... more freedom to LIVE.

Welcome to the maiden voyage of the Voice of the Goddess. She has launched into blissful waters now.
