2.0 Definition

The School will comply with the provisions of Utah Administrative Code R277-516 regarding employee background checks. In order to protect the health and safety of all students and protect the property of the School, the School requires:

- (a) all potential employees,
- (b) all Board Members,
- (c) all contract employees, and
- (d) any volunteers who will be given significant unsupervised access to a student in connection with the volunteer's assignment

to submit to a criminal background check as a condition for employment or appointment. In addition, where reasonable cause exists, the School may require an existing employee or volunteer to submit to a criminal background check.

3.0 Policy Content

Board Member Background Checks

In order to be eligible for a position on the Board of Directors, an individual must complete a background check. The Board will consider whether any convictions revealed on the background check should disqualify a Board Member or applicant for a Board position.

Individuals Subject to Background Checks

The School requires a criminal background check on each new employee who is licensed by the Utah State Board of Education ("USBE"), as required in connection with USBE's licensure requirements.

Additionally, the School requires a criminal background check on each new non-USBE-licensed employee and each volunteer who will be given significant unsupervised access to a student in connection with the volunteer's assignment.

4.0 Relevant Procedures, Guidelines & Restrictions

Conducting the Background Check

The applicant, volunteer, or employee shall receive written notice that the background check has been requested.

The background check will include, but not be limited to, a fingerprint check conducted by the Utah Bureau of Criminal Identification and subsequent ongoing monitoring through the BCI system.

Payment for Background Check

In accordance with the provisions of Utah Code Ann. § 53A-15-1503, the school may not require an individual to pay the fee associated with a background check unless the individual:

- (a) has passed an initial employment interview or volunteer position screening; and
- (b) is one of a pool of no more than five candidates for the position.

Opportunity to Respond to Background Check

Only those convictions which are job-related for the employee, applicant, or volunteer will be considered by the School.

If a person is denied employment or is dismissed from employment because of information obtained through a criminal background check, the person shall receive written notice of the reasons for denial or dismissal and shall have an opportunity to respond to the reasons.

A school district or charter school shall resolve any request for a review of a denial of or dismissal from employment through administrative procedures established by the school district or charter school.

Confidentiality

Information about background check results is confidential and may only be disclosed as provided in applicable law.
