

News Release

The USDA has extended free meal benefits for kids. All children, K-8th, enrolled at Wasatch Waldorf Charter school will receive breakfast and lunches free of charge at the school for the 2021/2022 school year.

Please still fill out a Free and Reduced meal application for this school year! This could determine any future supplemental benefits you may be eligible for. You can find the free and reduced lunch application on the school's website.

Children who are a part of households that receive Supplemental Nutrition Assistance Program (SNAP, formerly food stamps) benefits or benefits under the Food Distribution Program on Indian Reservations (FDPIR), or Temporary Assistance to Needy Families (TANF) are still automatically eligible to receive free meals.

Acceptance and participation requirements for the Program and all activities are the same for all regardless of race, color, national origin, sex, age or disability, and there will be no discrimination in the course of the meal service.

In accordance with Federal civil rights law and U.S. Department of Agriculture (USDA) civil rights regulations and policies, the USDA, its Agencies, offices, and employees, and institutions participating in or administering USDA programs are prohibited from discriminating based on race, color, national origin, sex, disability, age, or reprisal or retaliation for prior civil rights activity in any program or activity conducted or funded by USDA.

Persons with disabilities who require alternative means of communication for program information (e.g. Braille, large print, audiotape, American Sign Language, etc.), should contact the Agency (State or local) where they applied for benefits. Individuals who are deaf, hard of hearing or have speech disabilities may contact USDA through the Federal Relay Service at (800) 877-8339. Additionally, program information may be made available in languages other than English.

To file a program complaint of discrimination, complete the USDA Program Discrimination Complaint Form, (AD-3027) found online at: http://www.ascr.usda.gov/complaint_filing_cust.html, and at any USDA office, or write a letter addressed to USDA and provide in the letter all of the information requested in the form.
